Data Protection Act

IMechE will hold your personal data (for example, your contact details, areas of engineering interest and details of your academic record and employment experience/history) on its computer database. This information may be accessed, retrieved and used by IMechE and its associates for normal administrative purposes (for example, processing your membership application/renewal and contacting you in respect of your membership), and conducting market research. If you are based outside the European Economic Area (the "EEA"), information about you may be transferred outside the EEA.

- IMechE may also periodically send you information on events, conferences and publications you may be interested in. If you do not wish to receive such information, please tick this box.
- IMechE may also provide your personal information to carefully selected third parties (a list of whom is available on request) in order to provide you with information for non-IMechE events, conferences, publications and various affinity benefits. Where possible, the information sent to you by third parties will be targeted to focus on your likely interests. However, if you do not wish to have your personal details used in this way, please tick this box.

Please Note >>>

Students

All details of your degree programme must be recorded accurately on this application form to enable us to identify if IMechE accredits your degree. If you are studying an undergraduate engineering degree you will receive free membership of IMechE. Incomplete information may result in you being charged for an annual subscription.

Please ensure you notify us by email if there are any changes to your studies, eg changes of degree programme or expected graduation date.

Non-Students

An application fee must accompany this form. This fee is non-refundable and does not include the annual subscription.

The current application fee is £30. Cheques should be made payable to IMechE and crossed 'A/C payee only'.
